

Career Direction

Where do I go next? Career direction is a popular coaching request - as sometimes we feel stuck and unsure about what a good next step looks like.

Consider the highlight of your career to date. You were working with great people, the work was fulfilling, and you were loving it.

Capture notes here:

Reflect: what new thoughts have emerged from this exercise?

Is this something you need further support with?
Use [this link to my calendar](#) to book a 30 minute call to explore how coaching can help you here.
